

**Form for an objection to the Proposed Modifications to the
RURAL WEST EDINBURGH LOCAL PLAN**

Notes

The objection should state:

the precise matter(s) to which your objection relates by reference to the actual modification number

the grounds on which the objection is made and the details of the change that is sought, for example, the revised wording or map allocation that would be an acceptable alternative, or an addition to correct an omission.

Any objections lodged should be to the **proposed modifications only**.

These were made in response to objections which were considered at the local plan inquiry held between 29 November 2004 and 22 April 2005.

They also include pre-inquiry modifications to the plan which were approved by the Council in February and June 2004.

Please note that objections cannot be treated as confidential.

This form should be used to set out your objection(s) to the proposed modifications to the local plan, using a separate page 2 of this form for each modification you wish to object to.

Further copies of the form may be obtained free of charge from the address given below and at all City of Edinburgh libraries within the Local Plan area.

Please complete all sections in block capitals, using black ink. See Notes on left.
