Royal Infirmary of Edinburgh

This booklet contains information about bus services to and from the new Royal Infirmary of Edinburgh at Little France. It has been prepared for the Hospital Trust in conjunction with The City of Edinburgh Council to help staff and patients plan their journeys to and from the new hospital.

PHASE 1 (27 January 2002)

Phase one of the new hospital opens in January 2002, when only the eastern section of the access road will be usable by buses. Only buses terminating at the hospital will be able to reach the main entrance.

Lothian Buses services **24** and **38**, both serve the new hospital. These services cover many districts of Edinburgh from their termini at Davidson's Mains (**service 24**) and Crewe Toll/Pennywell Roundabout (**service 38**). Both these bus services are funded by  **EDINBURGH**.
THE CITY OF EDINBURGH COUNCIL

In addition, Lothian Buses service **8** will terminate at the hospital and service **32/52** will divert from its present route to travel through Moredun and past the new hospital on Old Dalkeith Road. This will dramatically increase the number of areas of the city with direct bus links to the hospital.

Bus Services to and from Fife

New bus services (Stagecoach Fife services X51 and 54) connect the *Ferry Toll* Park and Ride site at Inverkeithing (X51) and *St. Andrew Square* (54) to the new hospital. The timetables for these services are included in this booklet. These services are funded by **Lothian NHS Trust**.

All other bus services will continue to use Old Dalkeith Road.

These will include Lothian Buses services 33 and 49; Munro's services 29, 30, 128 and 131, and First services 86 and 7N.

PHASE 2 (January 2003)

On the opening of phase 2 of the hospital, we anticipate that all bus services using Old Dalkeith Road will divert to serve the hospital.

TRAVELINE
